2023 GUIDE

Welcome to the 77th Sister Bay Fall Festival! Fall Fest is a special time when family and friends gather for a weekend filled with iconic events, great music, amazing food, kids activities and so much more.

As we celebrate the beauty of Fall in Door County, we want to recognize the hard work and commitment our local businesses and non-profits bring to our community, providing visitors and locals with a memorable experience, not just during Fall Fest but all year long. There would be no Fall Festival without their hard work and dedication along with that of our volunteers, Visitor Center Staff, Parks Team, and The Village of Sister Bay. Thank you to all of these individuals and organizations and to all who have come to celebrate with us this year.

OVER 21? All booths serving beer and wine require patrons to wear a wristband to be served. Wristbands are available free of charge at the festival information booth and booths serving alcoholic beverages. You must present a legal photo I.D. to receive a wristband.
