

No Bigger Bang for my Advertising Buck Than WBDK Radio

“No form of advertising gives me more frequency for my advertising dollar than sponsoring ten second ads on WBDK 96.7FM. The Rendezvous has been running a minimum of 12 ten-second ads a day on WBDK seven days a week. We can rotate several messages and get enough frequency to be important. There is no better advertising investment I make than WBDK. The Rendezvous is proud to host several live broadcasts featuring local high school athletic teams every year...and I’ll never quit using those ten second ads. No advertising is better for the Rendezvous of Luxemburg.”

What works in advertising is very simple. It’s what you say times how many times you say it. Our most satisfied clients have learned that when you run twelve ads a day like the Rendezvous, you get results. And there is no place to advertise on five radio stations that’s as affordable as the stations of DoorCountyDailyNews.com. Let us make you as happy as Kelly Froehlich.
