

# Heating and Cooling Contractor HOT on Radio

“The best advertising I do is on the radio stations of  
DoorCountyDailyNews.com.

I get calls from Manitowoc to Ellison Bay. That proves to me that the best advertising investment Ultimate Air Heating and Cooling can make is radio. Nobody works harder than Tim Kowols and nobody has more ideas.”

Let us help you get HOT on radio, too. We know some business owners have had a negative experience with other stations but don't let that keep you from being as happy with radio as Jeff Blemke.
